REMARKS

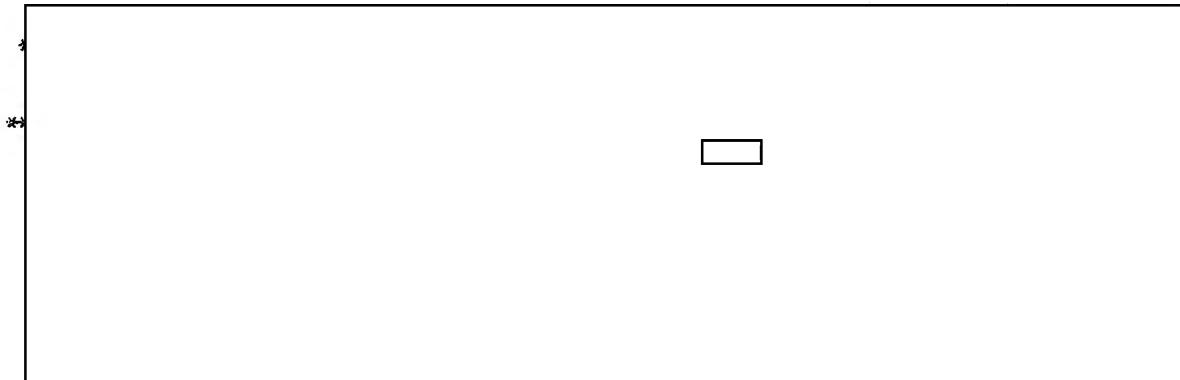

25X1X

Between 23 April and 21 May 1952, about 30 Soviet soldiers wearing black-bordered blue epaulets were stationed at Erfurt-Bindersleben airfield. A sub-lieutenant was the ranking officer at the field. * Sheet metal plates which continuously arrived at the field were piled up. On 21 May, the pile covered an area of 650 x 5 x 3 meters. Six steel rollers were available. It was rumored that aircraft were to arrive during the coming week.
